● **HOBBIES AND INTERESTS**

Astrophysics fan

I like watching documentaries about science and physics.
Particularly, my favourite docuserie is "Cosmos" with Neil-DeGrasse Tyson.
One of the purposes in my life is visiting the NASA Headquarter.

● **COMMUNICATION AND INTERPERSONAL SKILLS**

Team working

In my work and when I studied at University, I have dealt with a lot of challenges that required a motivated team.
For instance, when we have to deal with a very complex program we split it and then we could work faster than solo programming.
